

Soccer Goals Buyer's Guide

A Guide to the Most Popular Keeper Goals Soccer Goals

Knowing the following before you shop will help you choose the best goals for your situation and your budget.

Traditional Goals /American-Style Backstays

We offer multiple models of traditional goals with American-style backstays. Here is information on our most popular:

1. Wheeled Goals - #M88W & #M88W-RD4 Series

All models of our wheeled goals are available in multiple sizes including 6' x 12', 6' x 18', 7' x 21' and 8' x 24'. Our wheeled goals are counter-balanced for safety. They are 4 piece construction design, (ie. they break down into 4 pieces).

Of all our goals these are the easiest and safest to move when assembled. They are also our most expensive goals. However, if you will be moving your goals often we believe these goals are

your best value in the long run.

3 types to choose from;

- A. **#M88W-824** -Wheels built into 4" x 2" steel frame
- B. **#M88W-RD4-824** - 4" rd goals steel and aluminum vertical and crossbars with 5 wheels built into 4" x 2" steel frame
- C. **#Custom** - We build this type of goal in custom sizes and colors.

www.keepergoals.com

Options Available For the #M88W & #M88W-RD4 Series Wheeled Goals:

- Youth size goals in numerous sizes, (6'x12', 6'x18', 7'x21' and more)
- Custom back depths
- Galvanized steel goals
- All caster wheels
- Other requests considered

2. Movable M-Series Soccer Goals - #M83-RD4 & #M83

Ideal if you will be moving your goals only seasonally, but you want best long term value. We offer wheel kits to facilitate moving. These are recommended, especially if you will move the goals more often.

3 types to choose from:

- A. **#M83-824** - 4" x 2" steel goal posts with 4" x 2" steel frame
- B. **#M83-RD4** - 4" round goal posts with 4" x 2" steel frame
- C. **#Custom** - We can build this goal in custom sizes, colors and with custom back-depth.

All models available in multiple sizes, (8'x24', 7'x21', 6'x18', 6'x12' and more).
All models are 4-piece construction, (ie. they break down to 4 pieces)
Counter-balanced design for safety.

Options Available For the #M83 & #M83-RD4 Series Goals:

- Wheel kits available
- Youth size goals in numerous sizes
- Custom back depth
- Galvanized steel goals
- Other requests considered

3. Movable Aluminum Soccer Goals - #MAL Series

If you will be moving your goals fairly often but do not have the budget for wheeled goals this is a good choice.

We offer many options of this style goal. The most popular is a goal with aluminum verticals, an aluminum crossbar, steel corners for added strength, a steel backbar and steel backstays. (#MAL). Our MAL goals are available with both channel and cable net attachment systems.

The most popular types of #MAL Goals to choose from are:

- A. **#MAL-824** - 4" rd aluminum with steel corners, 2" steel backstay and 2" steel backbar.
- B. **#MAL-824-AL** - 4" rd aluminum with steel corners and 2" aluminum backstay and 2"
- C. **#MAL-824ALC** - 4" rd aluminum goals with cast aluminum corner, 2" aluminum backstay, 2" steel back and channel net attachment and steel corner.
- D. **#ELITE-4RD-CHAN** - 4" aluminum with cast aluminum corner, 4" aluminum ground bar, 2" arch and channel net attachment
- E. **#ELITE-4RD-CABLE** - 4" aluminum with steel corner, 4" aluminum ground bar with steel corner, 2" arch and cable net attachment

Stadium Box-Style Soccer Goals

Choose from 7 models of this type of goal from semi-permanent goals to wheeled box-style goals:

- 1. **#S80** - Semi-permanently installed into concrete footing. .226 wall aluminum with and steel corners. (Hinge bar option available)
- 2. **#ECON-S80** - Semi-permanent installation. .120 wall aluminum. (Hinge bar optional.)
- 3. **#MS80** - Free Standing stadium style goal with 4" x 2" steel base with back-up posts
- 4. **#MS-88W-RD** - Box style standard cup goals with 7 wheels built into frame with back-up posts.
- 5. **#MS-88W-RD-AC** - All caster wheel stadium cup goal with 7 caster wheels built in, with back-up posts.

www.keepergoals.com

6. **#M83-RD4-824-Box** - 4" round goal, movable, 2" box arch. No back-up posts.
7. **#M88W-RD4-824-Box** - Standard wheeled box goal. 2" box arch. No back-up posts.

Permanent or Semi-Permanent Goals

Choose from several types of permanent/semi-permanent goals:

1. **#P824** - Semi-permanent or permanent 4" x 2" steel goals. Available with American or European backstays.
2. **#P824-RD4** - Semi-permanent or permanent 4" round steel goals. Available with American or European backstays.
3. **#S80 & #Econ-S80** - Stadium Cup Goals, see above.
4. **#Custom** - Made to order. Call for information.

Light-weight and/or Economy Full-Size Goals

Note: These models do not meet the ASMT Tip-resistant standards.

1. **#MSG-3RD and #ECON-3RD** - 3" rd aluminum goals.
2. **#ECO** - Economy Soccer Goals
Light-duty goals not meant to be left in an open area. If you want goals with backstays, 4 piece construction, and easy push button set-up these are a good option. Crossbar will bend if hung on.
3. **#SGE-2** - 2" Aluminum Soccer Goals
Stronger goals than #ECO but it does not have backstays. (6 piece construction with one piece crossbar and ground bar - easy set up - push button assembly.)
4. **BowNet Series** - Goals that collapse and fit in a bag for easy transport and storage.
